

CENTRAL RESEARCH INSTITUTE, KASAULI
organizes

**“First National Conference on Recent Advances
and Challenges in Hyperimmune Sera Production”**

in collaboration with NCDC, New Delhi
Directorate General of Health Services
Ministry of Health and Family Welfare
Government of India

08-09-2024 TO 10-09-2024

THEME AREAS :

- Advancements in production of hyperimmune sera.
- Regulatory and quality checks of hyperimmune sera.
- Adjuvants in hyperimmune sera production.
- Innovations in Immunoprophylactics and Therapeutics.

CHIEF GUEST: PROF. (DR.) ATUL GOEL, DGHS

CHIEF PATRON: DR. DIMPLE KASANA, DIRECTOR, CRI

ORGANIZING SECRETARY: DR. ABLESH GAUTAM, CRI

**VENUE: THE NEW ROS COMMON
KASAULI**

First National Conference on Recent Advances and Challenges in Hyperimmune Sera Production

**Central Research Institute (CRI)
Directorate General of Health Services
Ministry of Health and Family Welfare
Government of India**

Organized By: Central Research Institute, Kasauli

Co-organized By: NCDC, New Delhi

Funded By: NCDC, New Delhi

Date: 8th – 10th September 2024

Brochure Information

About Conference

The Conference is one of its kind and first to be held in India that focuses on antisera manufacturing. This conference will provide a platform for all the antisera manufacturers, scientists and clinicians who are working on and/or with antisera products. The scientists/delegates will get an opportunity to present and discuss about the advances made towards improvement of the antisera products. The challenges faced during manufacturing the antisera products, treating snake bite and animal bite cases by clinicians etc. shall also be discussed with an aim to find solutions to the current problems. The event will also provide a unique opportunity for professional interactions and future collaborations.

About CRI

Central Research Institute (CRI) is a pioneer institute in the field of vaccines in India. Founded on 3rd of May 1905, the institute has been continuously contributing to the National Health Programmes. The mission of the institute is to manufacture lifesaving immunobiologicals (DPT group of vaccines and antisera), surveillance activities, teaching and training in the field of microbiology and vaccinology.

About Kasauli

Kasauli is a small hill town in the north Indian state of Himachal Pradesh, approx. 2 hours drive from Chandigarh. It is home to gabled colonial-era houses, orchards and green-roofed Christ Church, dating from the mid-19th century. Kasauli has a moderate climate having temperature of 16°C/23°C (Low / High) during the month of September.

Theme areas of the Conference

1. Advancements in production of hyperimmune sera
2. Regulatory and quality checks of hyperimmune sera
3. Adjuvants in hyperimmune sera production
4. Innovations in Immunophylactics and Therapeutics

Participation and Registration

All delegates must register to participate in the Conference in the prescribed registration form. To encourage scientific participation, there is no registration fee for the conference. Participation in the Conference is open to all scientists working in Government or private sector, research scholars/students, clinicians, antisera manufacturers, regulatory bodies related to antisera manufacturing, Immunology and related disciplines. Registration shall be requested by the participants strictly as per the given format duly filled and signed by the applicant. Research Scholars must submit their registration form duly forwarded by their Supervisors. The duly filled registration form must be submitted using the following google form link latest by **15th August, 2024**:

<https://forms.gle/7XtpQpypyzsvWSd6>

OR

*Scan OR Code to open
google form*

Acceptance /Rejection of the application shall be intimated within five (05) days of registration closing date. The right to accept or reject the application solely remains with the organizers. Boarding and lodging to be arranged by participants themselves. No TA/DA shall be provided by the organizers. Tea and working lunch shall be provided on all days during the conference.

Abstract Submission

Abstracts for oral/Poster (Roll-on Standee) presentations shall be in a maximum of 300 words including the title, authors, and address strictly as per provided format & instructions (Word file only). Oral presentation should be for maximum 15 minutes and in power point presentation mode. The poster size should be upto 4'×3' (L×W). Presenters must carry roll-on standee along with them.

Instructions for Abstract Submission

1. The abstract should not be more than 1 page of A4 size and in word file format only.
2. The Abstract should consist of Title of the Paper, Theme of the abstract submission, Name of authors, Affiliation of the authors, with Email id and Phone no./ Mobile no. of the corresponding author and the main body which must be divided under subheadings: Background of the study, Brief description of Work and Outcomes and Implications.
3. The abstract should be written in Font “Times New Roman” with a spacing of 1.5 wherein the title of the abstract should be of font size 14 and in bold, Authors Name should be of font size 11 with italics font, affiliations of the authors should be of font size 10 and in italics. Main body of the text should be in font size 12.

Awards

- Best Poster presentation Award for each thematic area
- Best Oral presentation award for each thematic area

Venue

The New Ros Common, Kasauli
Lower Mall, District: Solan
