Sr.No	Parameters	Specifications	Pointwise Compliance (clearly state "Yes" or "No" or indicate "Deviation" if any)
1.	Process description: The hyper immune plasma from equine is subjected to pepsin digestion followed by two step ammonium sulphate precipitation and dialysis. The partially purified antibodies (Anti rabies Serum, Anti Diphtheria Serum, Anti snake venom serum and anti covid-19 serum) will be used for purification on column chromatography	Raw plasma will be provided by CRI .	
2.	Process optimization	I. Vendor should provide optimized operating protocol for purification of Anti Rabies Serum, Anti Diphtheria Serum, Anti Snake Venom Serum and Anti Covid-19 serum. II. Vendor should also required to execute the initial three batches of (12-18 Liters) each product successfully on installed chromatographic system at CRI.	
3.	Technology Transfer	The firm should transfer the optimised technology for the final product meeting all the quality aspects as per IP-2022.	
4.	Yield of the product	The firm should able to provide $\geq 80-90\%$ of each product yield at purification stage. From ammonium sulphate precipitation stage.	
5.	Non disclosure agreement	The firm should sign non disclosure agreement before initiation of optimisation	
6.	Resin type	Should provide adequate resin (chromatography media/matrix) as optimised by the vendor for 04 specific products.	
7.	Resin quantity	i. Quantity should be sufficient to purify 12-18 litres- each product per batch ii. The quantity should be provided two times iii. Resin Validation cycles: Min 70 or better iv. The vendor should provide each resin suffice to run 200 batches of Antisera products.	
8.	Sample protein conc. (gm %)(total protein)	Up-to15gm %	
9.	Tube material	i. Inner side: Pharmaceutical grade Glass material borosilicate glass (inert) ii. Outer side: cast acrylic or better	
10.	Wetted material	Electrolytic polished stainless steel 316L and FDA CFR21 part177 certificated plastic PP,EPDM and MOC for each part should be provided	
11.	Sample volume to be loaded on column	Batch size of 12 – 18 L with 8 – 15 gm % protein should be processed in single run as per vendor optimized protocol	
12.	Flow rate	Minimum 20ml/min to maximum 1000 ml/min or better	

13.	Pressure	5 bar or better	
14.	Scale down option	Should be enabled with scale up and scale down option up-to 50%	
15.	Detection	UV or Better technology	
16.	Detection at	280 nm in UV or as per better technology	
17.	pH detection	0-14	
18.	Sample injection	Fully Automated should be provided	
19.	Sample pump	i. Quadra flow, Quaternary diaphragm or better pump should be provided ii. MOC: SS316, SS304, PP, EPDM, PEEK or equivalent MOC for each part should be provided	
20.	pH and Conductivity Temperature	i. Should provide online calibration facility for pH and conductivity ii. Temperature sensor should also be provided.	
21.	Collection system for Fraction of interest	i. Should provide with option for both manual and automatic system ii. Should able to separate protein of interest with pre defined programme system	
22.	Mixer	Should be provided with gradient mixer system if required as per vendors optimised protocol	
23.	Automated Control	Touch screen with PLC should be provided Vendor should provide separate set of PC Computer and printer system or better technology	
24.	Modular design	Should be provided

PART-II

Terms & Conditions of Tender and Contracts for PROCUREMENT OF LIQUID CHROMATOGRAPHY SYSTEM.

1. **Introduction and location of the Institute**

Central Research Institute, Kasauli is an institution of the Government of India functioning under the Directorate General of Health Services and the Ministry of Health & Family Welfare, New Delhi. The Institute is located in Solan District of Himachal Pradesh (India). It is at a distance of approx.35 kms. from the nearest Broad Gauge Railway Station at Kalka (Northern Railway) and 13 kms. from the nearest narrow gauge Railway Station at Dharampur – Himachal Pradesh (Northern Railway) and is connected by metalled road with both the places. It is connected with Kalka by another metalled road also which is only 23kms.in length. Locally, the institute is situated at a distance of about 200 meters from the Bus Stand and is connected by metalled road. Motor vehicles can ply upto the delivery points in the Manufacturing Wing and R&T Wing of the institute.

2 **Submission of Tenders**

a) **Method for submission of tenders**

Tenders should be submitted in thick sealed covers super scribed with the words “**Tender for Procurement of “Liquid Chromatography System” in the left hand upper corner of the envelopes** addressed to the Director, Central Research Institute, Kasauli. Distt. Solan (HP)-173204, India by designation and not to anybody – else by name or by designation. Tenders should be either sent by registered post or dropped into the Tender Box kept under the custody of Stores Officer of this institute for the purpose. Telegraphic tenders and also those tenders who are not submitted in the manner prescribed herein will not be taken for consideration in any case.

b) **Direction for quoting the rates**

(i) Incidental charges in respect of all articles **should be F.O.R. destination i.e. delivery points in the Institute premises godown**, and should be inclusive of all incidental charges, **such as loading and un-loading charges**, octroi charges, terminal taxes, other taxes and duties, carriage upto the delivery points, insurance etc. that may have to be paid by the contractors on the supplies to be made to this institute. No taxes or incidental charges will be paid to the contractors in addition to the rates accepted by the competent authority.

(ii) **Goods & Service Tax (GST)**

GST at the prescribed rate will be paid to the contractors who are duly registered dealers in this regard. Contractors claiming the GST will have to indicate their GST Registration Numbers in their Bills and will also have to furnish the following certificate alongwith their bills otherwise payment of GST will not be allowed to them:

“Certified that the goods on which GST has been charged have not been exempted under the GST Act or the rules made thereunder and that the charges on account of GST on these goods are correct under the provisions of that Act or the rules made thereunder and that in case of supplies against regular contract the relevant contract includes a specific provision that GST is payable by the Government”.

(iii) **Packing Charges**

In case of goods which have to be supplied duly packed, the tenderers should include packing charges in their tendered rates as the packing materials will be retained by this institute and no additional charges on this account will be paid to the contractors.

c) **Units for quoting the rates**

Tenderers should quote the rates of articles strictly according to the units indicated in the Detailed Tender Notice e. g. Per quintal, per kilogram, per set, etc. Rate shall be quoted exclusive of Tax and FOR destination. Tax, if any shall be quoted separately. Any erasing/overwriting shall be Signed.

3. **Opening of Tenders**

Tenders must reach the Director of this institute not later than the time and date prescribed for the purpose. Tenders received in time will be opened at this institute at the date and time prescribed for this purpose and will be declared in the presence of tenderers or their authorized representatives who may be present on the occasion, by the Director or any other officer deputed by him for the purpose. Tenders received after the prescribed date and time for any reasons whatsoever, will not be considered.

In case the date prescribed for receiving and opening of tenders falls on a holiday in this institute, the date for receiving and opening the tenders shall automatically be extended to the next working day of this institute, time and place remaining un-altered.

4. **Validity period of Tenders**

Tenders once submitted must be valid for a period of 180 days from the date of opening thereof. The tenders will not be entitled to withdraw the tenders or to suggest any change therein within the aforesaid period. The tenders will however, be subject to negotiations at the direction of the competent authority. A bid valid for a shorter period shall be rejected by the purchaser as non-responsive.

5. **Late bids**

Any bid received by purchaser after the deadline for submission of bids prescribed by the purchaser will be rejected and/or returned unopened to the bidder.

6. **Earnest Money Deposit**

a) The tenderer must furnish, alongwith the tenders, Earnest Money Deposit as indicated in the Advertised Tender Enquiry, in the form of **FDR/BG/DD only** issued by any scheduled Bank in India in favour of Director, Central Research Institute, Kasauli (HP) failing which the tenders will be liable to rejection. In case the firm is participating in different items, the Earnest Money shall be submitted separately for each group. FDR should be valid for minimum six months. Appropriate certificate needs to be attached in case of EMD waiver.

b) **Forfeiture of Earnest Money**

(i) Earnest Moneys of tenderers whose tenders are accepted by the Competent Authority within the period prescribed in Clause No.4 and who fail to execute the contract agreements within the periods mentioned in our letters conveying acceptance of his tender, will be liable to forfeiture by the Government. Besides this, the defaulting tenders shall be liable to make good the losses, if any suffered by the Government as a result of their failure to take up the contracts within the prescribed period. The amount of losses so sustained by the Government will be recoverable from them as "Arrears of Land Revenue" if the same are not paid by the defaulting tenderer himself on demand.

(ii) Earnest Moneys will also be liable to forfeiture by the Government if the samples of articles which needs sometime for manufacturing are not supplied by the tenderers concerned within the period and/or on the conditions laid down in Clause No.7 of these terms and conditions.

c) **Release of Earnest Money**

Subject to the provisions contained in Clause No.6 (b), the Earnest Moneys received will be released to the tenderers concerned only after the tenders have been finalized and the contract agreements have been executed by the successful tenderers in the respective groups or on the expiry of the validity period of tenders prescribed in Clause No.4 of these terms and conditions whichever is earlier.

7. **Financial status and property of tenderers**

a) **Financial status of tenderers**

While selecting the tenders for acceptance, the financial status of the tenderers will be taken into consideration in additions to all other, relevant factors. The competent authority whose decision in this behalf will be final and conclusive, reserves to itself the right to reject any tender if in its opinion; the financial status of the tenderer concerned is not sound.

b) **Submission of property statements by tenderers**

The tenderer must furnish the following statements in duplicate, alongwith the tender, otherwise the tenders should be liable to rejection:

- i) Statement of movable property
- ii) Statement of immovable property
- iii) Statement of Bank Balances and Postal Accounts &
- iv) Statement of contracts undertaken by them in the past

The successful tenderers will again be required to furnish the above mentioned statements duly attested by the competent Civil/military/Bank/Postal authority before or at the time of executing the contract agreements as may be demanded by this Institute.

8. **Acceptance of terms and conditions binding**

The terms and conditions prescribed herein are binding on the tenderers/contractors and they are not allowed to make any change in them. Tenders who propose any additions or alterations in these terms and conditions or do not fulfill these terms and conditions would be liable to rejection. A complete copy of these tender documents, duly signed by the tenderers on each page in token of their acceptance of these terms and conditions must, therefore, be attached to the tender otherwise the tender would be liable to rejection.

9. **Negotiation with tenderers**

After opening the tenders no post tender Negotiation will be conducted except in case of deals with the lowest tenderer as per the CVC instructions.

10. **Acceptance or rejection of tenders**

The right to accept the tenders will rest with the Director of this Institute, or any other competent authority, who does not bind himself/itself in any way to accept the lowest tenders and reserves to himself/itself the right to accept any tender or to reject any or all the tenders received by him/it without assigning any reason thereof.

11. **Communication of acceptance of tenders**

The successful tenderer will, normally, be informed of the acceptance of the tenders within a month of the opening of tenders or as soon thereafter as possible within the period prescribed in Clause No.4 and they will be required to furnish the security deposits to execute the formal contract agreements and to furnish such other documents as are required from them in these terms and conditions, to the Director of this Institute within the periods indicated in the letters conveying the acceptance of their tenders.

12. **Security Deposits**

a) **Amount of Security Deposits**

To ensure satisfactory discharge of contractual obligations by the successful tenderer, they will be required to furnish to the Director of this Institute lump sum Security Deposits at the rate of 5% to 10% of contract values within prescribed time in token of acceptance of their tenders by the competent authority. The contract values will be worked out at the rates of articles which are accepted by the competent authority. The amount of Security Deposits will, however, be rounded off to the nearest thousands of rupees.

b) **Manner of furnishing Security Deposits**

The securities can be furnished either in the shape of FDR or in the form of Bank Guarantees. Bank Guarantees for appropriate amounts should be duly furnished by any scheduled bank in India on behalf of the tenderers concerned in favour of the Director, Central Research Institute, Kasauli (HP) and should be valid till the end of 38 months (warranty + 02 months) over and above the relevant contract period. The Bank Receipts or Bank Guarantee Deeds in original, as the case may be, must be delivered to this institute by the tenderers concerned with the period prescribed in this regard.

c) **Adjustment of losses from Security Deposits etc.**

The Director of this Institute will have the power to adjust from the contractor's security deposits, including other contracts taken or any other amounts lying with him to the contractor's credit on any account the loss sustained by the Institute due to the failure of the successful tenderer either to take up

the contract within the prescribed period after acceptance of his tender or to perform the contract according to its terms and conditions after taking it up.

a) **Release of Security Deposits**

Subject to the provisions contained in Clause No.14, the Security Deposits will be released only after satisfactory fulfillment of contractual obligations by the contactors concerned and provided that no liabilities are outstanding against them.

13. **Quality and delivery of supplies**

All supplies must conform to the specifications given in the relevant Advertised Tender Enquiry and should be of the best quality and to the entire satisfaction of the Director of this Institute. The specifications and important notes contained in the Advertised Tender Enquiry relating to various groups of articles form part of these terms and conditions.

14. **Provision for extension of Delivery period/Delay in the Supply**

Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule specified by the purchase in the schedule to tender enquiry and supply order.

Any unexcused delay the supplier in the performance of its delivery obligations shall render the supplier liable to any or all of the following sanctions:

- a) Forfeiture of its performance security
- b) Imposition of liquidated damages and/or
- c) Termination of the contract for default.

If at any time during the performance of contract, should the supplier encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at its discretion extend the suppliers time for performance, in which case the extension shall be ratified by the parties by amendment of the contract.

15. **Rejection and replacement of supplies**

a) **Return of rejected stores to supplier**

The firm will take back the rejected stores from the depots/consignees place and replaced with fresh stock duly inspected within a reasonable period stipulated in the notice issued to the firm at their own cost up to the consignees or depots upon payment of testing charges etc. The rejected stock will be handed over by the depots or consignees to the firm upon payment of cost of the rejected stocks by the firm to the consignees. Failure of the firm may amount to breach of contract on the part of the firm and firm shall be liable for recovery of consonant damages besides other remedies and right available to the purchaser.

b) **Acceptance or rejection of perishable articles**

In case of perishable articles, the contractor concerned will have to give a declaration that the articles sold to the Director of this Institute(hereinafter also called the "Purchaser"), under the contract, shall be of the best quality and shall be strictly in accordance with the specifications and particulars mentioned in the respective detailed Tender specifications and the contractor will have to give guarantee that the said articles would continue to conform to the description and quality of aforesaid for a period of one day from the date of delivery of the said articles, if during the aforesaid period of one day, the fact that the purchaser may have inspected and/or approved the said articles, the said articles be discovered not to conform to the description and quality aforesaid or have deteriorated and the decision of the purchaser in that behalf will be final and conclusive, the purchaser will entailed to reject the said articles or such portions thereof as may be discovered not to conform to the said description and quality. On such rejection, the articles will be at the contractor's risk and all the provisions herein contained relating to rejection of goods, articles, etc. shall apply. The contractor shall, if so, called upon to do, replace the articles etc. or such portion thereof as is rejected by the purchaser, free of cost at the ultimate destination, otherwise the contractor shall pay to the purchaser such damaged as may arise by reason of the breach of the conditions herein contained. Nothing herein contained shall prejudice any other right of the purchaser in that behalf under this contract or otherwise.

16. **Condition regarding actual purchases of articles**
No guarantee is given as to the quantity/number of articles that may be ordered for during the period of contract provided, however, that orders for the articles required for the working of this institute shall, in the first instance, be placed with the successful tenderers concerned. The successful Tenderers (hereinafter also called "Contractors") shall be liable to supply the quantities/number of articles as may be ordered for during the period of contract, within the period mentioned in the supply orders.
17. **Penalty Clause**
If the supplier fails to deliver any or all of the goods or fails to perform the services within the time period(s) specified in the contract, the purchaser shall without prejudice to its other remedies under the contract, deduct from the contract price as liquidated damages a sum equivalent to 0.5% of the delivered price of the delayed goods or unperformed services for each week of delay or part thereof until actual delivery or performance, upto a maximum deduction of 10% of the delayed goods or services contract price. Once the maximum is reached the purchaser may consider termination of the contract.
18. **Payment of supplies made to the Institute**
Payment of all supplies will be made to the contractors concerned strictly on bill basis from them and not on supply-to-supply basis under any circumstances. Bills submitted on supply-to-supply basis will not be entertained.
19. **Revocation or cancellation of contracts**
The Director of this institute, or any other competent authority, shall have the right to revoke or cancel the contract if in his opinion (and in this respect such opinion shall be final and binding on the contractor), the contractor has failed to perform the contract in whole or in parts or has committed breach of any of the terms and conditions of the contract. Upon such revocation or cancellation, the Director of this Institute, or any other competent authority, shall be entitled to make purchase from open market or to enter into contract with any other party at the entire risk and costs of the defaulting contractor.
20. **Contacting the Purchaser**
No bidder shall contact the purchaser on any matter relating to its bid from the time or the bid opening to the time the contract is awarded.
Any efforts by the bidder to influence the purchaser in the purchaser's bid evaluation, bid comparison or contract award decision shall result in the rejection of the bidder's bid and also banning of business dealing with the bidder for a period of three years from the date of such ban.
21. **Decisions of the Director and jurisdiction of courts**
The decision of the Director of this institute shall be final and binding in all respects regarding any question of interpretation or in each of any dispute arising under the contract. However, in case of legal dispute arising in connection with the contract, it shall be subject to the exclusive jurisdiction of the Courts in Kasauli, Solan District of Himachal Pradesh.
22. **Arbitration**
