06<sup>th</sup> November, 2024

Dear Dr Kasana,

As you are aware, Hon'ble Prime Minister inaugurated the **National Learning Week (NLW)** from October 19, 2024 to October 27th, 2024, which was joint mission of Department of Personnel and Training, Capacity Building Commission and Karmayogi Bharat titled Karmayogi Saptah: National Learning Week. Its aim was to Align civil servants with national goals and service missions, Encourage continuous capacity-building across ministries and sectors and Build a cohesive learning ecosystem with active participation and reflection.

2. During the learning week it was mandated that all the employees of the Institutions under Department of Health and Family Welfare across India have to designate a minimum of 4 hours of learning on iGOT portal. Also, a seminar on Swachhta hi Seva as a part of Special Campaign 4.0 in collaboration with NLW was organized.

3. We appreciate that your Institute **Central Research Institute, Kasauli**, is one of the best performer of the NLW as 72.96% (313/429) of total onboarded employees of your institution have completed minimum of 4+ hours of learning on the iGOT portal.

3. I congratulate you and your team for the efforts in making this campaign a huge success and urge you to continue your support by your continuous participation in all activities of Mission Karmayogi.

With regards,

Yours sincerely,

(V. Hekali Zhimomi)

Dr. Dimple Kasana,  
Director,
